**INVITES TO AN EVENING WITH PUPPET THEATRE
IN PERSPEKTYWA CAFE**

4 Słowackiego Street, Bielsko-Biała

11 March (Wednesday) 17.30-19.00

COME, IF:

- You are interested in theatre and storytelling;
 - You like to meet new people;
- You want to learn how to animate simple paper puppets;
- You play an instrument and would like to add some music and sounds to our theatrical stories (bring your instrument!);
- You`ve been always dreaming about being on stage...

The meeting is part of an international „RAPPORT” project co-financed by the European Union (Creative Europe Program).

The main aim of the project is to open a space for creative encounters between the foreigners and local communities in four partner countries: Poland, Great Britain, Sweden and Spain.

Therefore, we invite in particular the comers from other countries who live in Bielsko-Biała to join us for the meeting.
